Doctor plus Christmas equals magnificent fun! These are 12 fun short stories suitable for adults and children alike. 1 illustration per story, lots of adventures and reminders of previously had adventure too! Liked every single story which for me is unusual. Definitely give this a go if you want some light hearted holiday reading with the doctor and or your kids too!

Twelve Doctors, twelve tales of tenderness and terror, jeopardy and joy. Spending Christmas with the Doctor is always unpredictable, but also always extraordinary.

A collection of charming short stories set against a backdrop of Christmastime. A must for Doctor

Who fans, which is also suitable for reading by (or to) young children.

One either loves Dr. Who, or one hates it. I'm in the former group, so of course I think this a great episode. In fact, all the Christmas Dr. Who's are fantastic!

Loved this. I didn't start watching Doctor Who until the 9th Doctor, but still enjoyed each of these stories. I especially liked the one featuring Jackie Tyler.

The stories are aimed at younger children, so the book was ok but that standard. That, and it was a Christmas walkthrough, so again, judge by that.

Really cute book. My favorite was the 8th Doctor's story. They're pretty quick reads, perfect for getting into your nerd Christmas spirit!

Nice book for fans, although the writing is just on-line fan-fic level.
