Concurrent Antitrust Criminal And Civil Proceedings: Identifying Problems And Planning For Success

Synopsis

Concurrent Antitrust Criminal and Civil Proceedings: Identifying Problems and Planning for Success offers guidance for practitioners dealing with parallel criminal and civil antitrust cases. These dual proceedings have become increasingly prominent in today's legal environment, and with increasingly active foreign competition authorities, are likely to continue to play an important role in the antitrust and competition environment. The most salient issues and risks that private attorneys can face in both prosecuting and defending a client involved in parallel proceedings are examined with some of the implications of paths in criminal defense for the civil proceedings considered.

Customer Reviews

John H. Bogart is a principal of Telos VG, PLLC, in Salt Lake City. His practice focuses on antitrust, securities, and other complex civil litigation. He was formerly a partner with Howrey, LLP, and Bendinger, Crockett, Peterson, Greenwood & Casey. Jay L. Himes is experienced in all facets of the antitrust landscape, including investigations and case filings, merger transactions, trial and appellate litigation, and settlement. His practice focuses on representing plaintiffs in price-fixing class action cases, and on protecting businesses and consumers from anticompetitive activities generally. Howard J. Sedran is a partner in the law firm of Levin, Fishbein, Sedran & Berman. He concentrates his practice in antitrust litigation.
