Splash 15: Creative Solutions (Splash: The Best Of Watercolor)

Synopsis

In this 15th volume of the highly celebrated Splash series, 100+ of today's most accomplished watercolor artists share some of their favorite paintings and the "a-ha!" moments behind them. These artists have found the perfect creative solutions for expressing their unique visions, e it a slice of urban life, a pure white peony, or something as elusive as the spirit of one very special dog. How to depict thousands of birds in flight? Start with a random application of masking fluid. Background competing with your subject? Summon the courage and go for an all-over wash. Searching for a distinctively un-postcard-like composition of Paris's most formidable landmark? Jump the fence peer through a rosebush, and voila! Splash 15 is about novel approaches, beautiful accents, and fly-by-the-seat-of-the-pants moments, all illustrated through brilliant work and anecdotal captions. Rejoice in the beauty and adaptability of the medium, as well as the ingenuity and passion of its artists. Maybe even discover fresh solutions for telling the kind of stories you want to tell with watercolor.

Another great splash book!

Best Splash Book yet! Really found a slew of amazing ideas for subject matters that I would like to try and I love having these books around and looking at over the years because as my sensibility as an artist changes there are so many helpful things to try. This book is vibrant and explores so many different techniques for using watercolor.

Splash 15 may not be up to the value of the rest of the Splash series, but it is still good.

Loved it, all works beautifully presented

Love this book. Just beautiful watercolor paintings. Worth the price.

Recipient who is an artist said this is the best one.

SPASH continues to showcase to best of today's artist.

I was happy to receive the "Splash 15 the Best of Watercolors" I enjoyed it very much. I have one critique, and I did not care the art work on page 106 and 107, it has no meaning. I also have a difficult time to like the painting on page 108 and 109. Much to BUSY, and CONFUSING in her painting, and too strong with her style. I loved the watercolor paintings on page 118 and 119, by Peng Cao. Excellent watercolors, loose and free, very transparent. I have also enjoyed on page 25, by Prafull Sawant, beautiful color harmony, and I really loved his technique, and the colors, were excellent, soft, light, and transparent, that to me is a good watercolor painting. The style, and sharp nice edges to confine the delicate painting, "Evening at Banaras Ghat". I have enjoyed all the "Splash (from 1 to 15}" since I am a very active watercolor artist for many years.
