The Auntie Em's Cookbook: A Musician's Guide To Breakfast And Brunch

Synopsis

Theresa Wahl, chef-owner of L.A. retro-hip hotspot Auntie Em's Kitchen, showcases her simple and beloved recipes for breakfast, brunch, and dessert in a cookbook that celebrates seasonal and local flavors. Drawing inspiration from her past as a punk guitarist, Wahl pairs her recipes with a playlist, sharing her belief that food tastes better when there's music in the kitchen. Rich with photography by David Kiang, The Auntie Em's Cookbook takes American comfort food into the modern era with a relaxed style and a commitment to deep flavor. Theresa Wahl is the chef and owner of Auntie Em's Kitchen, a café and catering business in L.A.'s Eagle Rock neighborhood. In the 1990s, she was a singer and guitarist for the Red Aunts, an all-female punk band that toured the United States and Europe for a decade. Her travels inspired a love of hearty American home cooking, and when she retired from performing, she started catering gigs for bands and their crews. This led to the 2002 opening of her café, where she quickly developed a following for her comfort food and baked goods with a punk-rock edge. Wahl lives in Los Angeles, California, with two dogs and several chickens.

Book Information

Hardcover: 200 pages

Customer Reviews

"Tenacious D loves Auntie Em's. Her delicious nutrients are always energizing and indie-fresh. Where does she find those unbelievable recipes? Somewhere over the rainbow?" —Jack Black (of the D)"This cookbook is a gem, especially for a foodie who loves music. Beautifully photographed, the book features mouthwatering recipes from Auntie Em's Kitchen in Eagle

Rock, and she pairs them with a playlist. Combining the talents of her old profession as a punk rock guitarist with her newer one in the restaurant business is such a great idea! This book will fly off shelves." • Margot Ferris, Pages Bookstore, Manhattan Beach • I'm excited to finally be able to bring Terri Wahl's world home with me to recreate the inimitable Auntie Em's vibe at home. I'll throw on some '80s English punk on the stereo (Siouxsie & the Banshees "Kaleidoscope," perhaps), gather my friends and loved ones on my porch, and pogo around the kitchen while I cook up some of my fave cravings: Mabel's Short Stack, the best grits and eggs this side of the Mississippi, and that amazing coconut cake. • Kate Schellenbach, Luscious Jackson & Beastie Boys • I like to go to the races at Hollywood Park, but I don't usually win with the horses, so afterward I go to Auntie Em's and drown my sorrows in a red velvet cupcake. It never fails me. • Russell Mael, Sparks • The first time I went to Auntie Em's, I knew this was my place. I love everything about it and could eat there everyday. Of course that means I'd be eating a cupcake everyday and I just can't have that. • Josh Klinghoffer, Red Hot Chili Peppers "Anyone with an appreciation for homey and scrumptious food will love this book. • LA Weekly Squid Ink "Tenacious D loves Auntie Em's. The recipes are accurate and delicious. Just like when we would stop by her restaurant, which now unfortunately is closed. However, she still has her catering business. I made the red velvet cupcakes and they were a big hit with my family! The cream cheese frosting was perfect, not too sweet.

I was a big fan of the restaurant, one of my favorite breakfast haunts, and was disappointed to hear that it had closed. Best biscuits and gravy in my area, hands down. And this cookbook has the biscuits-and-gravy recipe! Of course, the other food (at the restaurant and in the cookbook) is great, too.

The recipes in this book look amazing and simple, and I love that each one has a song associated with it. I had the opportunity to meet the author recently and now I'm even more excited to get cooking!

Very happy to gift this cookbook to a college friend! This was our weekend haunt in college, and it's great fun to recreate the farm-inspired, fresh recipes from the Eagle Rock gem that is Auntie Em's. Very nicely bound and presented.

Great recipes and an engaging layout. Love the restaurant and love the book.

Can't wait to start cooking from this recipe book. Dessert section just KILLS! Love special additional indexes for vegan, vegetarian and gluten-free offerings.

great creative cook book!

Beautiful book and great food. This weekend I made her tomato /zucchini /goat cheese frittata and the grapefruit cake...both delicious. Can't wait to try other recipes.
