Lost In Estonia

Synopsis

Jack Blueberry goes it alone again. After his successful trip to India he decides to see what all the fuss is about Estonia. There is rarely time to draw breath as he jumps from one silly adventure to the next, weaving across Eastern Europe like an out of control tapestry maker. "What have I done?! I paid the price not with euros but with my hair, my identity... my dignity. A shortcut to looking like a numpty for three weeks (estimated regrowth time). Nine euros. Nein! Nein! Nein!"
