Elizabeth Ficocelli, a freelance copywriter, has written for several Catholic magazines. She lives with her family in Reynoldsburg, OH. Anne Blake resides in Beaverton, OR.

My son is making his First Holy Communion in five days and he was a bit anxious about it, until we read this book last night. He understood the easy explanations, interesting illustrations and it complements his CCD religious education instruction perfectly.

Not what I thought I was purchasing. Disappointed.

Used this with 2 children who were preparing for their 1st Holy Communion. It is simple and nice.

I bought this for my daughter to help her prepare for her First Communion (although she was also taking lessons), and she really enjoyed it. Concepts are explained easily for children (although I wouldn't claim Transubstantiation is easily understood at the best of times), and the illustrations are

charming.

She was so happy with it she read it 4 times and brought it to school to share with her friends.

Great author. Great buying experience. Prompt delivery. Would buy an Elizabeth Ficocelli book again and again! Elizabeth has been writing for quite some time now. The Catholic Church I am sure is proud of her.

Appealing to a child of First Communion age.
