Customer Reviews

When Cousin Fred accidentally damages Brother's brand-new bike, Brother Bear is angry. Can Sister Bear help him see that forgiving his friend is the right thing to do?

Stan and Jan Berenstain introduced the first Berenstain Bear books in 1962. Mike Berenstain grew up watching his parents work together to write about and draw these lovable bears. Eventually he started drawing and writing about them too. Though Stan died in 2005, and Jan in 2012, Mike continues to create the delightful Bear adventures from his studio in Pennsylvania, in an area that looks much like the sunny dirt road deep in Bear Country.

Love these books

This book is great because it is Brother's birthday, they got candy and he forgave Fred. - by Logan

age 6

My daughter loves this book!! She has me read a different BB book every night! Its cute because they have been around since I was little. They are a cartoon that my child can watch and I know she is learning a valuable lesson.

The Berenstain Bear books were purchased for gift giving to Grandchildren, nieces and nephews. They are wonderful stories as well as teaching tools and I believe the children like them a lot.

What a good and sweet lesson found in this book.

Great learning and discussion book

I did not expect to find God and bible verses in this book for children. Not what I was looking for.

It was good, I forgive those who rate it less than a 5! All my kids have loved to learn to read with the Berenstain Bears books.
