Customer Reviews

I actually bought this for my 83 year old mom and 87 year old dad as a Christmas gift. They have kids and grand kids all over the place. So I marked where everyone is for her. It is a really nice atlas and I think they will like exploring since they don't travel much any more.

I bought this book for my granddaughter's 8th birthday. It was a major hit. She was delighted and so was I -- you can't always tell what will work.

This book will make wonderful Christmas gifts for many kids! I think it is superb!

Bought for Christmas gift for my Grandaughter. She loves it and tells Mom and Dad about different countries. She is in third grade. Very good teaching tool.

A gift for my 9-year old grandson who loves this book. Lots of information in this easy-to-use book. Also, fun and informational for me!

Great for my 8 year old grandson who is fascinated by maps. This gives him a chance to learn something about each land.

My 12 year old niece really loves it

Great tear-out pages, icons picturing highlights for each area, interesting location shading.
