## Synopsis

Why is "Walk the Winning Ways of Golfing's Greatest" different? It's a complete motivational book for young golfers who want to learn what motivated and inspired the best players in golf. You don't need to spend a lot of time searching for how the best in golf got to where they are. It's all here in this book. We wrote to the very best in golf like, Greg Norman, and many others. Here is an excerpt from the book from Greg Norman: "My goal was always to be the best I could be. If you think about it, there is a finality in reaching the top spot. Not only is it hard to get there, but you can't stay forever on that perch. But being the best you can be is infinite. There's always room to grow. There's always something new to learn. And there's always something new to do." You'll have a treasury of motivational stories and quotes from golf's greatest to pick up anytime your confidence level is low. You'll learn how the best players in golf got to where they are and the hard work they put in to get there. Reviews: "This book is an inspiring read and wish it was put out earlier. Great insight and advice from the Pros on how to win on Tour". Liked learning how the past Champions were inspired and how they did it. Loved the confidence building techniques and how to maintain the confidence to win." - J. Russo, Toledo "Perfect advice direct from Golf's Greats for hard-working young golfers aspiring to play golf at the highest level. Inspiring, thought provoking, and an entertaining book. Loved the comments of what the world's best golfers said about each other!" -C. Charleston, Chicago Jack Nicklaus said, "Confidence is the most important single factor in this game, and no matter how great your natural talent, there is only one way to obtain and sustain it: hard work." This book is for young golfers to help develop confidence and the right attitudes to enjoy golf more, as well as to compete better, and even make professional golf a career. It's for young golfers who want to make the high school golf team or get that college scholarship. It's also for any golfer who has the ability to compete with the best on tour, but just keeps failing to qualify, or keeps missing cuts. Generally, it's for anyone who wants to improve their golf and confidence level, or help them calmly deal with bad or embarrassing shots, and make golf more enjoyable no matter what your age may be. Dr. Bob Rotella said, "Play a shot confidently, and the body performs at its graceful best." "Play a shot while doubting your ability to pull it off and the body often loses its rhythm, grace and timing." Most agree having the right attitude, and a good confidence level allows your subconscious to automatically let your body perform well in the split second it takes to impact a golf ball. Young golfers (as well as all golfers) get insights and learn from the greatest players playing at the highest level. And, you will also get ways on how to develop and maintain a good confidence level in whatever career you choose in your life. There is a full color edition of the paper back edition of this book which makes a nicer gift.
