Cameron And Keaton [Operation True One] (Siren Publishing The Bellann Summer ManLove Collection)

Synopsis

[Siren Publishing: The Bellann Summer ManLove Collection: Erotic Alternative Contemporary Paranormal Romance, shape-shifters, M/M, HEA] Lives of emptiness, never love, only lukewarm relationships. Two families could find their true ones, if one family would stop trying to kill the other. Keaton Johnston found scrolls that told of great love, but great danger with Kodiak grizzly shifters. After meeting Cameron Kodiak, he decided to take the chance anyway. The moment Keaton walked into Cameron's bar, he gained the shifter's attention. Never before had the unbending, arrogant Kodiak felt this need. Acting on instincts, Cameron took Keaton to his bed, ready to claim. That is, until he saw the mark of the jackal. Somehow, Keaton managed to survive meeting and mating Cameron. Now, surviving pregnancy hormones and living with a dominating Kodiak shifter are iffy on a good day. But that is nothing compared to the threat of the Kodiak family's terrifying alpha. Silver, makes big, bad, Cameron look like a pussy cat. And Silver is coming. What will happen when he sees the hated birthmark? ** A Siren Erotic Romance

Customer Reviews

I love love loved this book and I can't wait for the next one to come out another great book from Bellann Summer Woohoo ...

This story has a new and very enjoyable take on bear shifters. I couldn't put it down. I am a fan of all of Bellann Summer books and this one is one of my favorites. I found the story exciting but also sweet. I recommend this book and I can hardly wait for the next one in this series.

Short and fun! Looking forward to the future stories. Interesting take on the shifter mating story line. Hope they are out soon.

A really good book hope more come out soon. Gave it a read you will like it

This was an awesome book. I can't wait for the rest of the series to be available for me on .

Not the best stuff. Didn't like Cam's attitude. Even in an alpha way. I didn't feel the love of true mates. And Keaton was too accepting. Especially of the abuse in the beginning which Cam never apologized for or felt remorse

Wasn't sure what to expect from the except, but loved it. The Bear Shifter in this story is unlike any other. Couldn't put the book down once I started reading.
