Customer Reviews

Calendar is very cute and design matches the picture. However, the cover has a large inventory (barcode) sticker on the front that won't come off and the whole product smells strongly of chemicals. The smell is so bad I had to take it out of my purse and won't use it again. Lastly, the pages are really thin and anything but pencil will likely show through the next page. Pretty disappointed overall but I suppose it was inexpensive and I should expect that quality.

It is a colorful, artful calendar to put my working hours and appointments. I enjoy looking at it many times a day. I removed the extra vinyl cover and recycled it with other plastics. Thank you for creating a useful, creative schedule keeper.

Has layout that I wanted. Would have preferred a sturdier print cover rather than a plastic protector over a somewhat flimsy print cover.

Saturday and Sunday both on the right side .. Takes a bit to get use to

Love it, just how is in the picture arrived on time

Wish Saturday and Sunday had their own boxes- otherwise perfect!!

Purchased for my mother for Christmas. She will love it! I love it!

Cute and does the job.
