Okay so I opened the package. Really nice piano score. Darn where's the clarinet score? Plus which the cover was a little dusty and there's one little edge that's folded..I had to get the clarinet score off imslp but the reason i bought this is I'm looking for a complete score without any stuff written in it. So a clean score. But no. Thanks, the book title even said: Rigoletto Fantasia da concerto: "Clarinet and Piano" Just don't get it if you aren't like giving this to a piano player.Though one advantage is I'm most likely to get a piano accompany in the future for this idk but i want to and I can give this to him/her. That's probably the only reason you're buying this. if you're just buying this to practice the clarinet parts don't get it..... get it off imslp.

I ordered this (out of print) piece of music to play for college. It took a while to get here, but I expected it to take so long, being so unavailable. The one I received only had the piano score. So, YES it has the clarinet part, but only in the tiny little staff above the piano part (and in C I might add). So if you want this piece in readable Bb clarinet form, I'd recommend looking somewhere else. Overall, it's an OK printing and OK service, if you overlook everything else.

Play it if you dare.
