Newcomer's Handbook For Moving To And Living In Atlanta: Including Fulton, DeKalb, Cobb, Gwinnett, And Cherokee Counties

Synopsis

Extensively revised for 2009, this 366-page volume introduces a chapter on Green Living and more details on Xpress commuter buses. From Castleberry Hill to Buckhead, from Midtown to L5P, and from College Park to Kirkwood, plus suburbs in Fulton, DeKalb, Cobb, Gwinnett, and Cherokee counties, our latest volume also complements descriptions of each neighborhood with photographs. Whether you're looking to ease your move to Atlanta or just get to know your own city better, the Newcomer's Handbook provides you with heaps of useful information on Atlanta's many neighborhoods, from child care options to information on local schools, parks, sports, cultural life, shopping, and much, much more.

Customer Reviews

This guidebook is invaluable. Although I have not stepped one foot in Atlanta, I have referred to this easy to navigate reference manual countless times when looking up neighborhoods, churches and possible business opportunities as I prepare to relocate to Atlanta Georgia. It's important that I live work and play close to the inner city and public transportation and this book is the perfect tour guide.
Vanessa, SweetSoundsofReading.com

This book is good for learning about the school districts, some of the history of various suburbs, population of each area, median housing prices and income, community services like libraries, shopping areas, transportation, etc.

This series of 'Newcomer's' handbooks is always a pleasure to read. There is so much information

and all of it so helpful if you're new to a particular area. I bought this for some friends of ours who are moving to the Atlanta area and they love it!

This is a brilliant book the covers nearly everything you would ever need to move to Atlanta! I've read other books this one tops them all !

This is just an ok book. Not bad and gives a newcomer or semi-newcomer some choices. Don't trust the restaurant recommendations we've found.

book was copy write in 2008, much has changed in Atlanta since than, and I thought the book was much more than that
