I ended up throwing this away. The drawings looked they were drawn by my 5-year-old nephew. The print quality was horrible. Pages had white lines running through them. It looks like they printed this at home and they were running out of ink - that's how bad it was. I'd give it 0 star if I could.

The Ruth Bader Ginsburg Coloring Book is a very clever addition to my RBG collection. I have her books, purchased on , and color glossies of official SCOTUS pictures. I also have purchased an original authentic hand-signed 8X10 photograph of her before becoming a SC Justice. Justice Ginsburg is known to have a marvelous sense of humor. The RBG Coloring Book is nicely done and I feel greatly adds to my collection of artifacts from and about this very multi-faceted special person.

Got it for the wife when she graduate law school. She LOVED it! Excellent gift for law school graduates and lawyers, and great for some laughs.

Bought this for my adult feminist daughter~ & she loves it! Happy someone thought of this idea~

maybe we'll see more like it! A nice way to relax and also reaffirm your faith in the world~ Celebrate Ruth and the good she does~ Have Fun!

A bit disappointed with artwork itself in terms of it being for a coloring book, but 4 stars anyway because it is an RBG coloring book.

Great gift for a dear one who loves Judge Ruth Bader Ginsberg. She has enjoyed it very much.

I bought the book for our daughter for Christmas thinking it would be a funny gift because she has to be RBG's biggest fan. When I received it I wanted to keep it for myself. It's the cutest coloring book ever. Great RBG motivational quotes throughout the book. A must buy for any Ruth Ginsburg fan.

I gifted this to my cousin when she graduated from law school with a set of colored pencils. She got an absolute kick out of it!
