Quebec City (Ulysses Travel Guides)

Synopsis

The Ulysses Travel Guide Québec City features descriptions of some 10 walking tours through the oldest city in North America still surrounded by fortifications. In addition to the many attractions and historic sites found within Québec City itself, this travel guide also invites travellers to discover the provincial capital's surrounding region, including Île d'Orléans, Côte-de-Beaupré, Parc de la Jacques-Cartier and Mont Sainte-Anne. Attractions are star-rated, so readers can spot the must-sees at a glance, and the guide also contains a vast selection of hotels, restaurants, bars, cafes and boutiques for all budgets.
