Dripping wet! If you ever had fantasy about sex with a male family member... This is the box set for you

This was a good book. It was not a really, really good book. But I did read all of the book.

I've been following Cheri Verset's career for a long time and I always look forward to her "So Wrong" bundles which are basically the gold standard of taboo erotica. Number 11 is no different, offering 10 hot stories featuring dirty families. I haven't read all the stories yet but so far my favorite of this lot is "Like Luke and Leia".
