Customer Reviews

I received my book within two days. In a sturdy cardboard envelope no rips, tears, or bends. As for the story..I'm impatiently waiting for volume 2! I NEED to know what happens next! I don't want to say too much and spoil it but I have so many questions! I love that you can personalize it by coloring the characters how you imagine them! If you like Anime you will love this. The characters are so cute especially Bones.

OMG!! can't wait for the next one. I already love the characters and the story! I am anxious to find out whats going to happen!! The art is clean and perfect for coloring! I am already a fan. I will buy the next and am purchasing for a friend as well. Awesome book!! #anime #musthavenecomic #ilovebones
