Canada In Colours

Synopsis

Popular artist Per-Henrik Gärth showcases Canada's diverse landscapes in his third Canadian-themed concept book for the young. As in the earlier bestsellers *ABC of Canada* and *Canada 123*, the book encompasses all major regions of Canada. This time, Per-Henrik takes children on a countrywide exploration in brilliant color. The distinctly Canadian images --- white snow, green spruce, red PEI dunes, blue St. Lawrence River, yellow wheat fields --- will delight Canadians and tourists alike. Multi-colored northern lights are the perfect end to this eye-pleasing journey. The bold, bright art and simple text give pre-readers a valuable introduction to color --- and to their beautiful country.

Book Information

Board book: 24 pages

Publisher: Kids Can Press; Brdbk edition (August 1, 2011)

Language: English

ISBN-10: 1554537576

ISBN-13: 978-1554537570

Product Dimensions: 6 x 0.5 x 6 inches

Shipping Weight: 8 ounces (View shipping rates and policies)

Average Customer Review: 4.7 out of 5 stars 5 customer reviews

Best Sellers Rank: #899,982 in Books (See Top 100 in Books) #98 in [Books > Children's Books > Geography & Cultures > Explore the World > Canada](#) #586 in [Books > Children's Books > Early Learning > Basic Concepts > Colors](#)

Got this for my little niece who lives in the US (my brother is Canadian, sister-in-law American and they are living in the US). They loved it! My brother wants to make sure she knows about her Canadian side and this book makes it fun for little kids to appreciate their Northern heritage.

I just love his books for my son. They're beautiful and simple enough to read to a toddler with a short attention span.

Our infant loves this series. We started with ABC of Canada. He coos at each page. The colors book seems a lot shorter than ABC which was a bit sad.

My grandkids are half Canadian so I love to find books that will keep their heritage alive for them.

Very cute images. Great book for toddlers.
