SPELLING 2008 STUDENT EDITION CONSUMABLE GRADE 8

Synopsis

Reading can be a grand adventure! But children need a road map along the way. Phonics helps them understand the relationship between letters and sounds, paving the way to their becoming successful readers and writers. Join your middle school student in this adventure with Pearson phonics and spelling products.

Customer Reviews

I love this spelling book. There is an activity to do everyday of the week to reinforce the memorization of the words. And it has a dictionary in the back so the child can look up any word they do not know!

Was good it was I expected.
