Collins Discovering Edinburgh: The Illustrated Map (Collins Travel Guides)

Synopsis

Edinburgh, home to the Scottish parliament, is on the itinerary of many visitors to Scotland. This brand new edition retains the delightful water-color mapping, with individual paintings of all the main sights and landmarks. Popular areas at larger scale, hundreds of shops, restaurants, caf  s and bars, comprehensive travel information and index. Includes: Large-scale plans of the Castle, Royal Mile, Botanic Gardens, Leith and Newington. Shop by shop street maps of Princes Street, George Street, Victoria Street and the Grassmarket. Railway stations, bus routes, taxi ranks and car parks. Historical and contemporary anecdotes. Suggestions for day trips out of the city. Comprehensive index.

Customer Reviews

"a wonderful picture of what the city has to offer. It is full of intriguing locations and is as much a delight to read as it is to use." Alexander McCall Smith --a --This text refers to an alternate Map edition.

Collins UK   is a leading information-led publisher of illustrated and narrative non-fiction.

These are really nice maps with lots of visual information, but they're printed on the cheapest, weakest paper imaginable. All the cross-folds tear immediately, almost the first time you unfold the map. We're still in the planning stages of our trip, and already we're patching all the folds with

scotch tape. We'll have only three days in Edinburgh, but will have to rely on TI maps 'cause I'm sure this thing will disintegrate the first day. Too bad, and we won't buy any more Collins maps.

So anxious to go to Edinburgh with my daughter. The map shows me all the places we want to go. Unfortunately it does tear at the folds. I'll just tape it to hold it together.

clear, easy-to-read, map. illustrated in an interesting and informative way, without being too busy. simple to use, nicely detailed, and makes everything easy to find at a glance. note: it is larger than maps i usually carry, but it's great for planning routes and trips. highly recommend.

It's really nice but I'm giving it 3 stars because it came with a hole in it.

Detailed and easy to find specific places.

This is an awesome map. I would have given it a 5 star rating if the street index on the back of the map was reversed (upside down). It would be so much easier to use as a reference if I could just fold that far side of the map instead of always flipping the entire map over.

Great map and easy to read

Excellent information; even recommended by Rick Steves.
