Sunshine, drinks and sexy girls! Sun-kissed young beauties with tasty butts vivaciously reveal their perfect curves. Caution! Heat strokes and rapid growth of palm trees!

Richard Lopes, born in Buenos Aires, lives in Los Angeles, London and Prag. Lopes works primarily for international life style magazines and stock agencies.

It's a picture book full with front to back photos of young exotic chicks from South America. The pictures are nice and has a swimsuit magazine quality appeal to it. Although it doesn't mention the actual content in the book's description I'll fill you in, its a partial nudie book with a little boobs and clam fish on every other page. It has more of a artistic feel through a photographer's eye.

It has some pretty good photography work in it. The quality of the printing and book production is

nice. The models are lovely toned and I enjoyed the book. Only thing that kept me from rating it higher was there were not a lot of models and kind of a small book. What is there is well done just limited in amount.

beautiful young women, nicely displayed

Excellent Book. A Goliath Smaller Format Book. Be Sure You read The Books Outer Dimensions. If You Are Attracted To Young, Beautiful, Latina Ladies This Would Be A Great Book For Your Collection. Photos Are A Mix Of Mostly Very Small, Reveling Bathing Suits and Nudes. If You Are A Big Fan, Like Me, Of Beautiful, Young Ladies " Back Side " Photos This Book Is A Must ! Very Happy To Add This Book To My Collection !

About 15 girls, mostly attractive, and 100+ pictures. 40% bikini shots. 40% topless. 20% nude. Paper quality is good. Picture quality is decent, but not fine. DPI could be better. As for posing...good amateur level. Lighting was fine.
