I was inspired to buy additional copies of the audio version to give to clients. What I really enjoy are the techniques to accompany the principles. Very helpful.

We like Jack. He is a great teacher. The Principles are life changing. But it takes a year to go through them, as you want to make changes in your life. We have used the tapes and the book.

Loved the book so much I got it on audio to listen in the car everyday. I highly recommend this purchase.

Loving this new addition. I will also buy the book too. I love Jack Canfield's material. I bought the first addition some years ago and enjoy it then also. I used many of those tools. This is a great gift idea for any occasion.

Very good step by step information .

Great book for everyone

Beyond expectations! Motivational and inspirational. Will purchase for my best friend.

Love listening to Mr. Canfield while driving. 1st chapter life saver. Must read for all.
