My son learned many words using this book. I recommend this book to any infant 9 months and up.

Some words aren't how I learned but overall the book is good.

Basic Spanish words which my son has enjoyed learning

A great book for exposing kids to Spanish.

Lots of colorful pictures. Great book. Kids stay engaged in the book because of the nice pictures and bright colors.

Great book. Purchased for my niece who is learning Spanish in school. Larger than I expected.

Seems to cover all of the basics. Love the graphics and bright colors.

This was the perfect gift for my in-laws who are moving to Mexico and wanting to learn a few words.

Not bad. My 18mo old son is learning the English words for the items in the book. Very colorful and good illustrations.
