## Customer Reviews

Nice artwork and pleasant story. +15month toddler likes it very much

This board book is just right for small hands to hold, and the shiny red hearts are sure to catch twinkling little eyes. I adored the sketched illustrations, with their soft shading and muted tones. In Good Night, Little Love, bedtime becomes an adventure in itself. Sweet babies get to spend a few moments gazing at the stars and crunching among the literary leaves. What a wonderful way to tuck in for the night! If you're looking for a board book to add to your family library, this one is a great choice. I received this book from the publisher in exchange for an honest review. Opinions shared are mine.

Good night, Little Love, Our hearts intertwine. I'll always be yours; You'll always be mine, ends Laura Neutzling's children's book, Good Night, Little Love.~ What ~At twenty-four pages, this cut-out board book with gold and red glittered

embossments targets children ages three to seven years old. With no scary scenes, its rhyming format is meant to be read at bedtime or nap time. Beautiful and fanciful pictures of bunnies grace the pages, following the storyline. With the theme of a parent rabbit and a baby bunny, the tale begins with getting ready for bedtime. As the two discuss the stars above and the expectations of tomorrow's new adventures, being with friends, playing outside, and smelling the flowers, it also recalls nap time, sunset, rest, and praying, ending with the bunny being tucked in bed and told it is loved. ~ Why ~ While the parent or adult reads out loud to the child who is tucked in bed, the young one can look at "Winnie-the-Pooh"-styled illustrations that are detailed and colorful. I like that each opened two-pages includes the words, "Good Night, Little Love." ~ Why Not ~ Due to some two- and three-syllable words, it should be read out loud to beginner readers. Some of the more complicated words such as adventures, mirrored, bouquets, and intertwined may need to be explained to young ones. Only one page mentions God and praying to Him. ~ Who ~ There is no information given regarding the author or illustrator of this book. ~ Wish ~ With it all being in rhyme, it may be hard for some young ones to understand it is a story about thinking about tomorrow and love. I wish the words were a little easier to comprehend for young ones. It would be thoughtful to note biographies on the author and illustrator. ~ Want ~ If you are looking for a calm, quiet book to read to a young child about going peacefully off sleep while thinking about tomorrow, this one that focuses on bunnies would be welcomed. Thanks to Book Look Bloggers for furnishing this complimentary book in exchange for a review based on my unbiased, honest opinion.

Boy #4: What's for breakfast in the morning? Me: Pancakes. Why? Boy #4: I just like knowing what I have to look forward to. Good Night. I was reminded of that conversation and my smile in the darkness of a little boy's bedroom as I read *Good Night, Little Love* by Laura Neutzling. Her comforting story about a tired little rabbit and his wise and loving mummy is accompanied by endearing illustrations by Anna Currey that bring to life Mother Rabbit's tucking-in tale with watercolor and ink, sunshine and shadows, shimmering stars and a cozy bunny's bed beneath a sheltering tree. Who wouldn't want to go to bed with visions of a wonderful tomorrow? Maybe one of the reasons that some children resist bedtime is that it feels so much like the end of everything. *Good Night, Little Love* is more than a board book bedtime story. It's a primer for parents who want to weave tales of hope as they tuck their children in for the night. What friends will we see tomorrow? Will we skip stones and stop to smell roses like the little bunny or will tomorrow be full of library books and paint brushes? The play ground and a walk

with the dog? A trip to the grocery store and guests for dinner? Making plans for tomorrow gives a sense of security, an opportunity for whispered and loving conversation, and it also sets the stage for a bedtime prayer that acknowledges the sovereignty of God, that asks for His guidance and protection, and that thanks Him for all the good things that He has made and that we enjoy. The sweetest dreams come to little people who know that they are loved " by their parents and by the God who made them. It is no surprise, then, that foundational truth can sound almost like a lullaby.
