Lee Davis Perry was raised in Charleston and returned there in 1987 to focus on a freelance marketing and advertising career. She is the author of *More Than Petticoats: Remarkable South Carolina Women* (Globe Pequot).

Easy to read and understand. Lots of good information. Very helpful when we make our trip this summer.

An excellent Guide to Charleston, SC and its environs. I give this to all my Clients who come from out of town...

Thanks

Very informative on the history, culture and architectural sights worth seeing in Charleston. Also,

some helpful tips for tourists on public transport and parking. I would have wanted to see more on sports related activities and things of interest for teenagers including the local colleges and universities and the waterfront park.

Very helpful in planning my first trip to Charleston. Good restaurant recommendations. Great ideas on what to do.

useful

Horrible. It's all targeted for Blacks - exclusively. Discrimination against whites and that history. All historical negatives... there's much more to Charleston history.
