Counterfeit Cowboy (Wild Wyoming Hearts Book 2)

Synopsis

"He advanced on her, dropping Pete's wrapped packages in the snow. She allowed him to catch her much too easily. He held her close enough to count her eyelashes, close enough that his breath riffled the fine hairs at her temple." ©He couldn't resist her." Lacy Williams is a USA Today bestselling author of the acclaimed Wyoming Legacy and Cowboy Fairytale series. About COUNTERFEIT COWBOY: He needs a fresh start. Former con man Jesse Baker is two days out of prison with no prospects and trying to fulfill a promise made to his dying cell mate. He's vowed not to return to the life that landed him in prison, but when he crashes into an easy mark on the Boston train platform, he grabs the opportunity to escape the city that took everything from him. She's stronger than anyone knows. Erin O'Grady has something to prove. There's more to her than the spoiled socialite her father sees and she'll journey West alone for Christmas to prove it. It's providence that she meets Jesse and his little brother Pete and she's always been good at making friends... Jesse's lies keep piling up as the journey continues. Until one powerful truth hits home--he's falling for Erin. But everything she believes about him is a lie... This book was originally published in 2012 by Harlequin's Love Inspired Historical series line. It has undergone extensive changes and has a brand new ending.

Customer Reviews

Jesse, a thief, conman, recently out of prison meets Erin a wealthy kind hearted, compassionate young lady. From two different worlds...could love be any further apart...when it comes to the heart, only God knows.

The Counterfeit Cowboy is a charming tale of a man fresh out of prison and a naive but kind-hearted woman fleeing her restrictive father. Jesse wants to change his ways but he's a man of no means. Erin takes him and his brother under her wing on her trip west to visit her brother. Friendship blossoms as do sparks of romance, but will the secret he's keeping drive a wedge between him and Erin? Lacy Williams has penned another intriguing western that kept me riveted to the pages. I didn't want to put the book down to tend to things that needed my attention. Her writing just keeps getting better and better.

Sweet story of two people, a boy and a man, trying to redeem themselves when they encounter a young woman who embodies love for her fellow people. In the process, she transforms her male companions. I will say that I was disappointed near the end by the heroine's confusion and anger which caused the story to lose its momentum. It allowed for the completion of the hero's redemption, but it forced a rushed and somewhat unbelievable ending. I always enjoy Lacy Williams's novels for their unusual characters and plot lines.

The story is a beautiful demonstration of how God uses the power of love and compassion to turn lives around. It is heartwarming to feel the emotions of the characters as these changes are taking place in their hearts.

I found this book okay, but not her best work. It is slow and frankly needed more of a change in settings. I found the heroine a bit too sweet, but the boy was precious. I recommend other books by this author instead.

This was a light read, but enjoyable. The message of a changed life through Jesus Christ was encouraging. The story was a bit predictable, yet had some turns which kept you entertained.

I just love reading these CHristian Romance Novels. They are inspiring--always have you wondering what's going to happen next and they always find GOD AND LOVE! A-MEN!

I couldn't even finish this book, because it was so boring! I enjoyed Homesteader's Sweetheart by this author much more than this one. Don't buy this one! get Homesteaders Sweetheart instead.UPDATE: 2/19/2015I tried again to read this book, and unfortunately, it's just as boring as the first time around. I didn't like the constant deception that Jesse was doing towards Erin. Also, Erin kept paying for Jesse's and Pete's things. For instance, she paid for Pete's ticket, Jesse's clothes and hotel room, and then Pete's doctor's bill. It seems unrealistic considering Jesse and Pete are complete strangers to her. I tried to give this book a second chance, but it just wasn't happening for me.
