## Synopsis

Too much is changing for Sybil, and moving yards is the final straw. But three-star event rider Rose Holloway isn't what Sybil was expecting, and despite initial reservations, she warms to Rose, if only for the sake of her pony, Jupiter. Maybe change won't be so bad after all! But after a disastrous event, Sybil's plans are ruined, and a summer of eventing is no longer on the cards, leaving her on the sidelines as her friends move on to FEI ponies. A flighty and sensitive pony arrives at the yard to be sold. The mare is everything Jupiter is not, and certainly not the kind of pony Sybil would have ever thought of riding, but she accepts Rose's offer to help train her, though Sybil doubts whether she is up to the challenge.

## Customer Reviews

Ms Wilkinson left me hanging! A good story written by someone who has "been there and done that" and explains as she goes. But she left me hanging at the end. I surely hope there are more stories with the same characters in the offing.

Love finding old "Loxwood" friends here, even some in bit parts. Will I find any in Comet? Or will that

be a whole new cast?

I truly enjoyed this book, could not put it down. Ms. Wilkinson writes from the heart and obviously the experience of someone who knows the thrilling highs of success and the crushing lows of failure. The conversation between Georgia and Sybil, should be required reading for all young readers. Recommend this book highly and cannot wait for the next one!

A great start to a new series. I read this book thru Kindle Unlimited and really enjoyed it. I liked that some of the Loxwood characters and locations were included.

Cute story that should make into a great series. Very realistic description and set up a great stage for more in the series. Cannot wait for the next one.

Stumbled across this book while browsing on my Kindle. Just finished Comet in Summer (highly recommend) and this one was just as good. Loved the characters! Good clean story with enough layers for all ages. Can't wait to see more of this series.
