Weddings In Color: 500 Creative Ideas For Designing A Modern Wedding

Synopsis

In this candy-colored guide, VanÃ© Broussard (founder of the uber-popular blog Brooklyn Bride) and Minhee Cho (of the covetable paper company Paper+Cup) team up to present hundreds of entirely modern style ideas for every aspect of a wedding, in eight eye-catching and vibrant color palettes. From pretty floral crowns to die-cut invitations, altars made from balloons, and so much more, these ideas are anything but traditional. Simple DIYs will spark creativity while interviews with industry experts provide important insider info. Lusciously designed and bursting with vivid photography, *Weddings in Color* has everything brides need to design a stunningly colorful affair.

I got this out of curiosity and was really amazed at the beauty, practical ideas and content. For anyone looking to get some ideas for their wedding this book is a great source. There is something for every taste. I highly recommend it.

Cute!!!

It was hard to put the book down once I received it, such fascinating colorful information. I love it and it has given me many wonderful ideas to use.

this is great for the bride who wants a modern wedding. however the ones who want a more traditional approach might enjoy The Knot's Look Book instead.

nice pictures

Think outside the box and create your own designs; full of fun, whimsical designs and loving the visual aid.

Very informative!

This is the most beautiful wedding decor book I've ever seen. Finally, a wedding book that speaks to the couple who loves modern and colorful design. No shabby chic or rustic or vintage in this book. The DIY ideas are fresh, new, and inspiring. This book would make a great gift for the newly engaged couple who wants a wedding full of color and contemporary decor. Every photograph in this book is eye popping beautiful - I want to frame them all and hang on my wall! Maybe the authors will release some big posters of some of the images?? Hint, Hint. I would definitely buy those for my house.
