The World Famous Alaska Highway: Guide To The Alcan & (World-Famous Alaska Highway: A Guide To The Alcan & Other)

Synopsis

From the southernmost community of Homer to Deadhorse, the northern end of the road that meets the Arctic Ocean, this guide details routes, driving conditions, unique people, and all that awaits the adventurous traveler along the way. 90 full-color photos and 6 maps. Wending through breathtaking mountain vistas, along sparkling streams and lakes, over the Canadian Rockies and into the Last Frontier, the Alaska Highway is a portal to some of the most beautiful places in all of North America. Once a WWII supply line known as ALCAN, this historic byway has become a destination unto itself. The guide also includes information on Alaska's state highways that connect far-flung communities. With details on routes, driving conditions, unique people, and all that awaits the adventurous traveler along the way, this book includes: roadway information for routes through Canada, historical sites, recreation hot-spots, festivals, parades and more!

Customer Reviews

Brown is a writer, editor, freelancer, program and book developer, journalist, quilter, mother, grandmother and wife. Her work has been nationally honored for compassionate, insightful depictions of Alaska natives and for children's literature. She began her award-winning literary career in journalism, and in 1984 was the founding editor of "Heartland", the Sunday magazine of the Fairbanks Daily News-Miner. Later she wrote for the Anchorage Daily News, then shifted into editing the popular monthly magazine Alaska, with a readership of more than a quarter million. She holds a Bachelor's degree in journalism and a Master of Fine Arts degree.

Many books are written about the Alaskan Highway driving experience....this one is very comprehensive and reminds you of things to consider before you start on your adventure and then continues to tell you how to enjoy yourself along the way.

Very well done....unfortunately I never had the opportunity to take this trip.

Interesting stuff - lots of detail.

Excellent book for such travel.

I will be driving to Alaska this summer with my dog and I wanted guidance on local parks on the way where we could take breaks and go hiking. I purchased the book since it claims to provide information about hiking trails. No such thing; I found nothing of any value to me and returned it. In fact, if you delete the pictures and the lists of motels and restaurants... there would be little left to read.

The World-Famous Alaska Highway is the ideal guide for anyone traveling up and down the Alaskan Highway. This compendium of historic sites, roadside attractions, dramatic views, wildlife sighting sites, recreational resources (hiking, biking, fishing, rafting, canoeing, cruising, flying, festivals, rodeos, parades, races, museums, theme parks) will ensure the success of any excursion from day trips to full-fledged vacations. The World-Famous Alaska Highway also offers practical money-saving, comfort enhancing advice on preparing your vehicle, roadway considerations and routes, as well as up-to-date contact numbers and websites for cities throughout the region and serviced by the Alaskan Highway. If you are planning just such a journey for business or pleasure, begin with a thorough reading of Tricia Brown's The World-Famous Alaska Highway!

Not sure why the last reviewer bought a driving guide instead of a hiking guide, but I found this book to be incredibly helpful and entertaining. It contained the right balance of text with history and don't-miss places to visit for each community, along with listings of restaurants and places to stay. She tell you the miles (and kilometers) between major towns and includes lots of great pictures. Highly recommended for preparing for the trip, and a great resource once you're on the road.

Handy, practical, and refreshing describe this guide to the Alcan Highway and other roads of the North. Tricia Brown's friendly voice and personal insights bring the adventure to life for me. Although I've driven the Alcan many times over the years, there's much to see and much to learn. I plan to pack this Guide along with my gear for my next trip.
