Quick FACTS Bone Metastases: What You Need To Know—Now

Synopsis

Approximately half of all cancer cases metastasize, contributing to the leading cause of cancer pain, and this book emphasizes that all patients should be well-informed decision-makers in planning their own treatment. Covering everything from risk factors to living well after cancer treatment, this pocket-sized reference provides critical questions to ask your healthcare team, is updated with the latest patient treatment guidelines, and includes an advanced dictionary of cancer-related terms.
