Customer Reviews

American Government Student Activity Manual (2nd ed.) provides students with a way to demonstrate and enrich their knowledge of the subject material discussed in American Government (2nd ed.). Activities encourage research and analysis skills. Review sections help reinforce understanding of the concepts of American government covered in the text.

I ordered this companion to the textbook after viewing a filled out Student Activity Manual. I believe that when students write out information, they remember it better. I am hopeful that my 11th grade daughter will cooperate with the process.

I use the text book and like it. This will allow me to give interesting activities to supplement the text.
