After all, the place is great for a romantic getaway. Unfortunately, the five McCallister siblings are still searching for their happily ever afters... and romance always seems just out of reach. But determined hearts won't be denied. And when love is on the line, a McCallister doesn't fall halfway! Happy Endings Handsome, wealthy Quinn McCallister is the most eligible bachelor on McCallister's Paradise. Making his family's island resort a success is all that matters to this workaholic. Everything changes when he meets the beautiful new massage therapist... Survival takes on a whole new meaning on a hiking date gone wrong. Cooking Up Love A single mother gives everything to raise her daughter in a loving, safe environment "falling for a handsome playboy was not part of the plan.

## Customer Reviews

Really a great series ! Had a hard time making myself not stay up all night reading.... very entertaining , the entire series!

Loved the way all of the family members interacted. It made the family strong but each person was an individual. They stood together to help as needed but each was their own person. Great series!!!

What does cancer, domestic abuse,. Homeless people, losing all your loved ones and teen pregnancy and more abuse all have in common? The magic of love found at McCallister's Paradise.. great series.

MCCALLISTER'S PARADISE - COMPLETE SERIES: BOOKS 1 THROUGH 5 by Rhondeau, ChantelEntire series held the reader's interest throughout with varied forms of humor, romance, mystery and adventure.

I loved each character in these stories. I like that each one could be a stand one book but the characters had to be from oldest to youngest to make each story correct. Love these.

Good stories that made an enjoyable read. Great characters and plots for each book in the series. This series had all aspects of being fun, mystery, drama, and sexy love within each book's story. Would recommend to others look for a good weekend read.

It is not often that you can purchase an entire series and have each character so defined. I just loved this and for me the price was unbelievable

Glad these were all together such a good deal! Each was different but all were family! Underlying subject matter was interesting as well. Need more!
