Mail Order Bride: A Rich Miner For The Poor Widow With Twin Babies (Two Is Better Than One Book 3)

Synopsis

A Sweet Western Romance from #1 Best Selling Author Emily Woods After Amy is widowed with twin baby girls, she is forced to become a servant and try to scrape by until her friend convinces her to become a mail order bride. Clayton is a wealthy rancher who dedicates his money to helping others. When he brings Amy to California, he is sure he has found his soul mate. When Amy shows up in California, she is far from what Clayton was expecting and she has twins. With a little help from Mrs. Maddox, a happy family just might be in the works. This book is a sweet, clean, western, historical, romance short story. It is a complete story, but it is also part of the Two is Better Than One series. Be sure to read them all - in any order! Customer Reviews

A nice Clean romance that tells of how they met by mail, how they met face-to-face & found out the half-truths of the letters but how they came together and married. This is a short story of the beginning of a romance. As like most of you, you are going to want to read how the marriage went,

get to see the twins grow, etc.(that is how I feel even after reading much longer books) - but that is not in this book. This is your basic Clean Romance & was interesting reading.Very well written.

I am constantly amazed at how the author comes up with all these various plots. This book kept my attention throughout, of course I was hoping that Amy would end up with the right man.

I really enjoy reading books that have any age of children in them and this was no exception. I thoroughly enjoy reading good clean books that I'm not afraid to recommend. Emily Woods is a great writer and have read quite a few of her books. They are a little too short but great reading when you don't have a lot of time.

Short but the writer keeps you interested in what may happen next. The male character is shown to be very business minded but it's his helpful employee who brings him to a more thoughtful and kind way to think of the woman he just brought across the country.

It was very hard for women to be married to miners that went into the mountains . They had to survive on their own while the men we're gone.Sonja Stover Bracey

Thank you Ms Woods for another fantastic story. Please keep on writing your wonderful stories, so I can continue to read them. Thanks for many happy hours of stories.

I Love the series totally Awesome.

I really loved reading this book .
