Supported by leading Catholic scholars as well as popular Bible teachers, the series offers a unique level of commentary for Catholic students of the Bible. Its attractive packaging and accessible writing style make it a series to own--and to read! Drawn from the best of contemporary scholarship, series volumes are keyed to the liturgical year and include an index of pastoral subjects.

"Scott Hahn has written a masterful commentary on Romans that is theologically insightful and pastorally relevant. While dealing adeptly with the historical and literary background of Romans, he always keeps the focus on its theological content and meaning for our lives. I recommend Hahn's work to all who want to discover the powerful message of Paul's great Letter to the Romans."--Frank J. Matera, Catholic University of America

Hahn's commentary on Romans is lucid, penetrating, theologically alert, and a joy to read. It will be of interest to both scholar and nonscholar alike. His status as one of the most prominent Catholic converts from Protestantism

makes his treatment of this great Pauline text, which was of such significance to Luther and the other Reformers, of particular interest."--Robert Barron, Auxiliary Bishop of Los Angeles"Hahn has written an informative, elegant, and learned commentary on Romans. The exegesis is crisp, the explanations are clear, and the judgments are consistently sensible. One of the best commentaries available on Romans from within the Catholic tradition. A treat to read and a treasure to hold."--Michael F. Bird, Ridley College, Melbourne, Australia"For four decades, Hahn has joyfully studied, debated, preached, taught, and lived Paul's Letter to the Romans. No biblical book is closer to his heart, with the result that the vibrant wisdom of this commentary exceeds that of commentaries many times its size. Judicious in its sifting of the scholarly literature, profound in its handling of sensitive Jewish-Christian themes, and powerful in its proclamation of the gospel, this deeply Catholic commentary will find a notable place among his most enduring and influential books."--Matthew Levering, Mundelein SeminaryFor more information on the series, visit www.CatholicScriptureCommentary.com
