Customer Reviews

It's been a long time since I took my written test. I'm going to have to renew my license soon and might be chosen by random to take a test. Since I like to be prepared, this book is the best way to get ready. Some of the questions are picky. If I got them on the test without reading this book first, I'd fail.

I haven't gotten a ticket yet so I guess this book works! Thanks

It works! Very convenient!
