Pep Guardiola: The Evolution

Synopsis

For three extraordinary seasons at Bayern Munich, Marti Perarnau was given total access around the German super club - to its players, its backroom staff, its board members and, above all, its manager, Pep Guardiola. In the follow-up to his critically acclaimed account of Guardiola's first full season at Bayern, *Pep Confidential*, Perarnau now lifts the lid on the Catalan's whole tenure in Bavaria. *Pep Guardiola: The Evolution* takes the listener on a journey through three action-packed seasons as Bayern smashed domestic records yet struggled to emulate that dominance in Europe, analysing Guardiola's management style through key moments on and off the field. Perarnau reveals how Guardiola improved as a manager at Bayern despite failing to land the ultimate prize in European football, examines his decision to leave Germany to take up the challenge at Manchester City and how his managerial style will continue to evolve in the Premier League. This is more than the story of three seasons with one of the biggest clubs in the game. It is a portrait and analysis of a manager and the footballing philosophies that have beguiled the world.

ASIN: B072HGMWRL

Best Sellers Rank: #74 in Books > Biographies & Memoirs > Sports & Outdoors > Soccer #203 in Books > Sports & Outdoors > Soccer #410 in Books > Audible Audiobooks > Nonfiction > Sports & Recreation

Customer Reviews

I say "I Like It" rather than "It's Ok" partially because of Perarnau's disclaimer. Yes, the book isn't as coherent as the first one, but, as Perarnau concluded, the contents are worth sharing even in disarray. PS. As an avid football and basketball fan, I really enjoyed that Pep admires Steve Kerr! There's surely some theoretical overlap there to be parsed.

Must read for anyone who likes football, management, or coaching. Not sure it's critical enough of

pep, but there might not be much to criticize

Just like the author's previous book on Pep Guardiola, "The Evolution" is insightful and required reading for anyone wanting to know how the football manager thinks and constructs his teams. Highly recommended.

great read

Better than anticipated bio with some good tactical insights. A little too much of a hagiography. Overall a good read.

Awesome insight to behind the scenes and decisions!

A great read start to finish

Fast shipping and no damage to book. A+
