Customer Reviews

Ms Swift's book is a very well written approach to dealing with Type 2 Diabetes.

After a recent diagnosis of diabetes, I have been searching for resources to support my new lifestyle. The absolute best so far is Carrie Swift's Overcoming Type 2 Diabetes. This book provides practical information with easy to follow instructions. I especially liked the websites that Swift provides for additional information. This book is head and shoulders above the rest. I highly recommend this book to anyone looking for a comprehensive review of the disease paired with helpful lifestyle tips for dietary changes such as cooking at home and even eating in restaurants.
