Book by Thomas Cook Publishing

I investigated every book I could find on the D.R., and this one is best:1) Just under 200 pages - solid info without excessive reading.2) Clear and concise, with perfect amount of quality pictures.3) 2009 edition. (always best to have the latest travel info)Please note that the 2009 edition has a BLUE cover, not purple as shows it. Maybe will correct the error.

Book arrived in perfect condition and blazing fast. This book is different than most travel books & haven't had a chance to really read it. Hope to use it when we go.
