Customer Reviews

Great map. I referenced it many times on the mountain to show my family our progress visually.

Useful and informative for our 2-week safari in and around the Serengheti

My wonderful husband loved this map of Northern Tanzania. It was clear, detailed, and easy to follow.

Great map of Kilimanjaro for climbersIt is the newest map of Mt. Kilimanjaro. Good scale. Color gradations are a bit weak.

A good overview of Kili and the surrounding area.

Good trip planner.

Very nice map, with great detail at a reasonable price. Just the parts of the country we needed!
