Customer Reviews

The stickers are high quality and great but the book is pretty terrible. The writing is poorly done and the plot could use some work.

Great birthday gift for our four year old cousin!

Great stickers and book! So colorful!

My daughter loves reading this book!

My 5 year old daughter loves this! The stickers are a great bonus as well. Ordering one to give to my six year old niece as well.

The words are larger than normal sized children's books which is great for first time, new readers. The color and quality of the book is excellent. The fact that it comes with stickers is a huge bonus. My daughter will be thrilled. Would recommend anyone to buy this if they are interested.

Makes reading fun! My daughter loves to read it.

She likes it.
