I have just finished using this curriculum with a group of 2-5th graders. I loved it. It was packed with great ideas. There was more than enough for each week to do. Most of it is all skit based. But, I found my kids didn't have a long attention span. So, the skits and activities worked well for them.

Our class was divided up with 15 minutes singing with the adults, 30 minutes with me teaching the kids, and 15 minutes at the end learning the Lord's Prayer in sign language. The switching helped them stay focused. There is a coloring page or handout for each lesson, but the pages are not perforated, so they are difficult to tear out for copying. That is my only frustration with this book. Also, there is not a lesson on "For Thine is the Kingdom, the Power, and the Glory Forever. Amen." This part of the prayer is not in the Bible, but it is what most churches say at the end when they say the Lord's Prayer. So, I guess I have 2 frustrations with the book after all. Still, I liked the lessons and the content. It took me about two hours prep for each lesson to prepare what I needed and assemble supplies.

All the travel guide books are excellent, I have only one more to buy to have the whole set. I started out with one book just to look over and loved it, so I ordered the some of the other topics. I am a director of children's ministry and these are great.

A VERY GOOD BOOK. WE STARTED USING THIS SERIES FOR OUR JUNIOR CHURCH PROGRAM AND THE KIDS AND TEACHERS LOVE IT. VERY EASY TO USE!

I ordered this book to use as a guide for our vacation bible school. We didn't use the book in the 13 week format it is intended for but I was able to pull from each lesson to teach 4 nights. It was so helpful! The kids really enjoyed the skits and the stories. I am so glad I ordered this book!

We have a small group of varied ages in Sunday School right now and this book is nice to teach kids who are not consistent every week along with the ones who are. It is easy to put a lesson together and it's nice to have several weeks to work on one theme. Prayer is such an important theme to build on anyway. I would like to see more game activities included so I have added some myself. Otherwise a wonderful resource to use! I highly recommend it!

http://www..com/gp/product/0764425242/ref=cm_cr_rev_prod_title We will be using this on Wednesday nights children's program. I know the children will learn from this product, and the teachers will enjoy using this product. Group always does a good job. The shipper was timely and the product was in excellent shape

Nice product but teaches "Debtors" instead of "Trespassers". Wish I had known before purchasing.

Has pages that are reproducible for Sunday school class and lots of activity pages for students!

Will be using this in our Sunday School program. We have one multiple age class and the activities can be adapted to the ages of the children. The "extra" hints and info is also very handy. I used another "Guide" this summer and the children loved it. Hope Group Publishing continues to produce more on different topics.
