Margaret Wise Brown, cherished for her unique ability to convey a child's experience and perspective of the world, transformed the landscape of children's literature with such beloved classics as *Goodnight Moon* and *The Runaway Bunny*. Other perennial favorites by Ms. Brown include *Nibble Nibble*, *My World*, *Where Have You Been?*, *Christmas in the Barn*, *The Dead Bird*, and *Sneakers*, the *Seaside Cat*. Clement Hurd (1908-1988) is best known for illustrating *Goodnight Moon* and *The Runaway Bunny*, the classic picture books by Margaret Wise Brown. He studied

painting in Paris with Fernand L  ger and others in the early 1930s. After his return to the United States in 1935, he began to work in children's books. He illustrated more than one hundred books, many of them with his wife, Edith Thacher Hurd, including the Johnny Lion books, The Day the Sun Danced, and The Merry Chase. A native of New York City, he lived most of his life in Vermont and California. Clement Hurd (1908  1988) se gradu   de Yale University. I love this book! I loved it when I was a baby and I'm having a baby that's going to be born into a hispanic/caucasian family. I had my fianc   read through it and he said it translated well! I'm SO excited to read this to my baby!

My daughter is expecting her first baby and baby's Spanish Dad was disappointed our purchased baby books were only in English. So I ordered Goodnight Moon in the English and Spanish version. Margaret Wise Brown is a classic author and her charming book was a delight when my children were little. The Included Spanish has made the book a real hit for all in my daughter's family!

I purchased this Spanish-language version of an old favorite for a little child in Cuba. It was reported that he loved the book. That's all I know! This is a heavy cardboard-page book, so good for a child who is young enough that he might inadvertently tear regular pages. The story is of course a classic.

I loved the book but it is black and white, I was expecting more color pages

Goodnight Moon is so lyrical in English and the Spanish text along with the original version makes this a perfect book for toddlers who are ready to repeat words in any language.

Excellent

This is a wonderful classic for kids. Love the bilingual for my little ones who speak Spanish and English.

Love this book!
