Very helpful

We bought this CD and booklet to prepare for a short visit to Japan because I had been impressed with the Berlitz Italian tapes I bought years ago. However, we were very disappointed in the phrase

and vocab selections for this CD. If you want to learn Japanese in an hour, learning "where is the bathroom" (not included in the whole cd!) would be much more helpful than "What kind of music do they play?". Also common yen increments are in 1000's (1000 yen = approx \$10) but they only teach you numbers up to 100. So I still don't know the numbers for basic money increments. Anyway, buy another CD if you want to learn basic survival skills in Japanese.
