Berserk, Vol. 6

Synopsis

Back in the day, Guts the Black Swordsman was a top slayer for The Band of the Hawk, an elite mercenary unit led by Griffith, whose calm demeanor and callow beauty belied his fighting prowess and steel will. While in a king's employ, the attraction between the king's daughter and Griffith and the growing favor of the king towards the Hawk leader raises the hackles of the king's jealous son, who plots to have Griffith summarily assassinated. But if the plot fails, the king's son will likely have to deal with Guts and his titanic broadsword, and the results of such confrontations are rarely pretty... or easy to clean up.

Book Information

Paperback: 240 pages

Publisher: Dark Horse Manga (February 1, 2005)

Customer Reviews

If you already got this far, then there's no reason to tell you that you need to buy more! But I refuse! The more money you give Miura, the more he plays Idolmaster, at this rate the series will never be completed!!

Volume 6 of Berserk is as beautiful as every other volume of the series. The artistic abilities of Kentaro Miura are fabulous, as well as his powerful ability to tell a story. The characters that you've come to know (Guts, Griffith, Casca and many more!) continue their development, and continue on their paths towards what they truly desire.

This is one of my favorite anime series of all time. Finding out it has a manga with more story and more content made my year. The story is riveting and developed. The pace is steady and the

villains are amazingly evil. I'm thoroughly enjoying my read of this manga.

This volume is more suspenseful after the cliffhanger of Volume 5. It contains a chunk of character development for Guts and Casca while expounding on Griffiths ambition.

If you haven't read or seen berserk, you don't know what your missing. From art to story, very well done in every little way. You can feel the action frame by frame. Solid work. One of the best.

Great manga! Enjoy.

Buy it!

It's Berserk
