Daughter loves the show and the books. Can't go wrong, wholesome compared to the other crap out there.

The little princess loves these books. Makes great reading at bedtime.

This book was ridiculously so "DazzleBerry" I chose this review because I realllly lovvve the show Liv and Maddie loved everything about the book and I wouldn't change a thing about the book I would recommend the book to my friends at school

I gave this as a gift to an 8 year old who said this was her favorite show. I'm not sure if it's at her reading level but she really enjoyed looking at the pictures in the middle and if she can't read it quite yet she will soon.
