This is Ralph Epperson, the author and publisher of THE NEW WORLD ORDER. I own my own publishing company, called PUBLIUS PRESS, and I want to set the record straight: THE BOOK ... IS ... NOT ... out of print. I do not know why people are selling the book for exorbitant prices, but I am certainly aware that as of July 25, 2015, the BOOK IS STILL IN PRINT.

I've been hearing about this NWO since the late eighties. We can see the powers that be have been implementing these changes after WW2. The book is loaded with information that has been researched and backed by factual information that can be verified and not just statements from hearsay. A definite read.

Great book
