E-Z Italian (Barron's E-Z Series)

Synopsis

Readers can teach themselves Italian at their own pace with this book. An opening discussion of Italian sounds, pronunciation, and spelling is followed with lessons on greeting people, asking and answering basic questions, using polite expressions, counting, making comparisons, expressing preferences, and carrying on everyday verbal transactions at stores, banks, and restaurants. Although mainly a self-teaching manual, E-Z Italian's many exercises and quick-check quizzes also make it a fine textbook supplement for classroom use. Barron's E-Z Series books are updated, and re-formatted editions of Barron's older and perennially popular Easy Way books. Titles in the new E-Z Series feature extensive two-color treatment, a fresh, modern typeface, and more graphic material than ever. All are self-teaching manuals that cover a wide variety of practical and academic subjects, written on levels that range from senior high school to college-101 standards.

Customer Reviews

The organization within each chapter is a little chaotic, but that's mostly a function of the layout not being up to real textbook design standards. It's a useful book for motivated people who are taking a short informal course in Italian or want to study on their own to prepare for a trip or some other activity. Without an instructor, pronouncing things properly would be a challenge since this book has no audio support.

Got this to help me with my upcoming trip to Italy. But this book is meant more for someone who is taking Italian classes not tourist

It's cheap and good practice. Won't teach you everything but at the price, you have nothing to lose.

Clear and easy to follow book. Make sure to practice out loud to get the best out of this book!

Lots of errors in this book.

Product was damaged

Am using this to learn the language before my visit to Italy.....it's a great tool! My teacher recommends this for beginners.

Pretty easy to understand. I have 4 Barron's books, all of them were very helpful for me.

Recommend the English-Italian dictionary!
