Learn German: By Reading Dystopian Sci-Fi

Synopsis

From a New York Times and USA Today best-selling author comes a new kind of textbook.... Do you want to master German? Do you like science fiction? What about dystopian worlds? Are you tired of reading boring textbooks in order to learn German? If you answered yes to one or more of these questions, this is a book you should consider. We introduce a one-of-a-kind learning tool that will enhance your comprehension, improve your German vocabulary and grammar, and let you enjoy a dystopian sci-fi novel from a New York Times and USA Today best-selling author in the process. Note: This book contains some strong language. We felt it was important for the censorship theme of the novel. If such words offend you, you might not enjoy this book. Our other title, Learn German: By Reading Fantasy, is based on a novel that has no strong language.
