Synopsis

[Siren Everlasting Classic ManLove: Erotic Alternative Contemporary Paranormal Romance, shape-shifter, vampires, M/M, HEA] After getting injured defending the omega he kidnapped, the tables have been turned, and James is at the mercy of the fox shifter. The mission was supposed to be easy. All James had to do was deliver the vampire lord's favorite slave, and he could earn his freedom. But there is something about Miles that James cannot ignore. The cute little fox shifter calls to him in a way no one ever has, and makes him want to turn his back on everything to protect him. Taylor lied. His name isn't Miles, but terrified his kidnapper would kill him, Taylor never corrected his kidnapper's mistake. Taylor should have run, but he can't leave James to die. He wants to care for the man, and this strange lust he feels is confusing everything. They're not done running from the people who want both of them dead, and before they can be together, they'll have to fight for their lives. ** A Siren Erotic Romance
