Grade Level: Kindergarten - 2

Customer Reviews

Chloe Perkins is the editor and author of a few dozen books for children. She lives in Philadelphia, Pennsylvania, with her husband, Rico, and their corgi puppy/sometimes shark, Marius. Growing up in a small town in Ohio, Chloe always dreamed of writing stories that could take kids on their own reading adventures, and sheâ ™s thrilled to be doing just that!Tom WoolleyÂ is an illustrator who

works on childrenâ ™s books and colorful maps. He lives in the historic City of Bradford in West Yorkshire in the United Kingdom. When not busy illustrating, Tom likes to ride his bike and loves to travel and explore new places.Â

Good Kids general knowledge of India book. It even says the truth about British invasion and their motives that won my respect for the creator.

Love this book! It gives you a glimpse of a day in the life of a child from another culture. I read this to my daughter and she loves it too.

great for all ages

These books have a lot of information. They are written at a lower level for struggling readers, who want or need to learn facts about different countries.

This book written to be read to small people managed to squeeze in so much info about the language, culture, and history of India. It's written as an introduction to a little girl who lives in India and tells us about a typical day in her life, but skillfully managed to work in excellent facts about Gandhi and Diwali. Very valuable as a class introduction to India. The illustrations are cute and colorful if cartoonish.

I find it disappointing that a simple fact like the pronunciation of Pune, which is not POO-nuh like the book says but rather Pu-nah or Pu-nay, was not checked before publication. Were there no Indian-Americans available? Doubtful.

my grand kids love the book.

Very good! The children love to read it, colorful!!
